

HTML Tag Cheat Sheet

Feature:	HTML tag:	You type:	Displays like:
Bold text	<code> </code>	<code>you type</code>	you type
Italicize text	<code><i> </i></code>	<code><i>you type</i></code>	<i>you type</i>
Underlined text	<code><u> </u></code>	<code><u>you type</u></code>	<u>you type</u>
Combined tags		<code><i><u>you type</i></u></code>	<i><u>you type</u></i>

*blue font color is used simply to distinguish the tags. It is not needed when using the HTML tags
